

Facilitator Recruitment:

**Early Career Teacher Programme for ECTs and mentors
National Professional Qualifications (NPQs)**

About the role:

Visiting Fellows on the Early Career Teachers programme and NPQ suite of leadership programmes

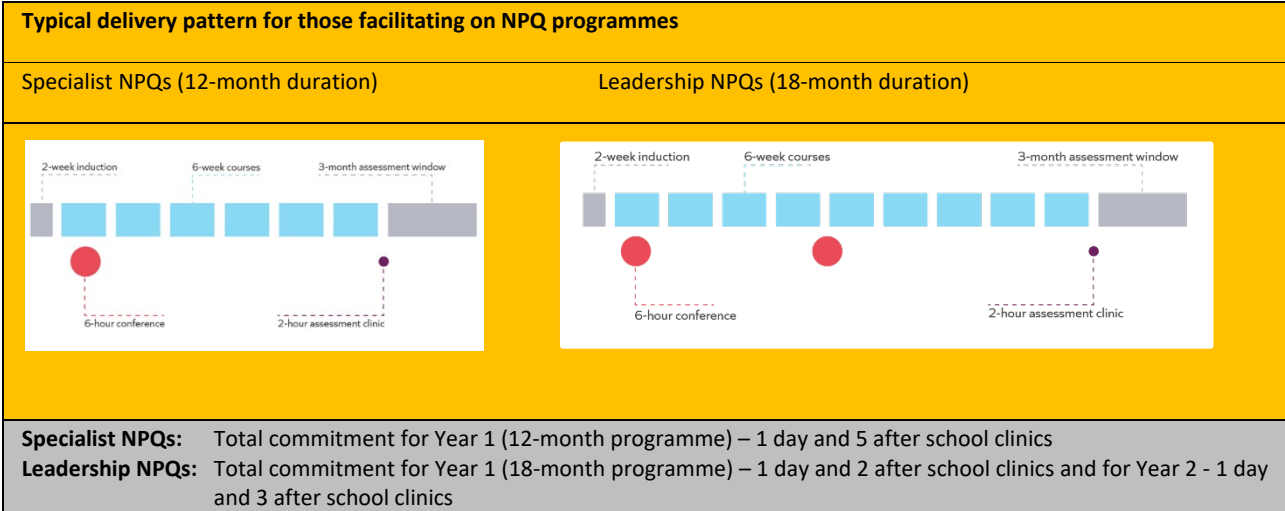

Visiting Fellows (VFs) are integral to the successful implementation of the Early Career Framework (ECF) for Early Career Teachers (ECTs) and their mentors and for the new suite of eight different National Professional Qualifications, the NPQs. The Five Counties Teaching Schools Hubs Alliance has a key role in delivery of these programmes. The hub partners with two national lead providers - Ambition Institute and the Education Development Trust who write and support the overview of the programmes which we deliver locally on their behalf. Programmes are a mix of online self-study and online / in-person facilitated training.

Visiting Fellows on the **ECT programmes** will work directly with ECTs and mentors, facilitating their conferences, clinics and running online coaching sessions, which provide individual support for ECT mentors. VFs support the quality assurance of the programmes by engaging in our continuous improvement and evaluation processes. You will need to have had significant experience of mentoring and supporting NQTs / ECTs in the past and be an excellent facilitator to support our programme and participants fully.

Visiting Fellows on the **NPQ programmes** work to facilitate in-person and online conferences and termly after school clinics to develop a network of support with their groups and to assist with end of programme assessments. They also support the quality assurance of the programmes. VFs facilitating NPQs programmes will need to have a depth of experience in the role they are facilitating - for example, if you are a VF on an NPQ for Senior Leadership, you will need to have experience as a head or deputy head working at senior level. See the table below for more detail. You will support the delivery of one or more groups of ECTs and their mentors or NPQ delegates: the commitment for each programme varies and can be explored below. Usually there is an initial launch conference and a termly twilight 'clinic' which is used to apply knowledge from the delegate's online study. Programmes vary from 12 months for specialist NPQs, 18 months for leadership NPQs and 24 months for the ECT programmes.

Typical delivery pattern for those facilitating on ECT / mentor programmes							
Year	Role	Half-term 1	Half-term 2	Half-term 3	Half-term 4	Half-term 5	Half-term 6
Y1	ECT	Conference 1 <i>Full day</i>	Clinic 1 <i>1 hour after school</i>	Conference 2 <i>Full day</i>	Clinic 2 <i>1 hour after school</i>		Clinic 3 <i>1 hour after school</i>
	Mentor	Mentor Conference 1 <i>Clinic 1 – 1 hour after school</i>		Clinic 2 – <i>1 hour after school</i>		Mentor Conference 2 <i>Full day</i>	
Total commitment for VFs in Year 1 – 4 days and 5 after school clinics							
Y2	ECT	Conference 3 <i>Full day</i>	Clinic 4 <i>1 hour after school</i>	Clinic 5 <i>1 hour after school</i>		Clinic 6 <i>1 hour after school</i>	
	Mentor	Clinic 3 – 1 hour after school					
Total commitment for VFs in Year 2 – 1 day and 4 after school clinics							

All materials for delivery, such as PowerPoint slides and scripts / notes are provided by the lead provider, but VFs can contextualise the materials for the groups they work with. Groups are usually cross phase which brings a richness to the experiences for those taking part. For larger groups or conferences, you will work with an experienced facilitator to share the delivery. Costs for delivery, including preparation and training for VFs are paid to the VF's school at the end of each term.

Training and Development:

Visiting Fellows will be provided with the following to support their facilitation of the Early Career Teachers programme:

- **Content:** The programme materials are carefully designed, with materials and scripts to support the consistency of delivery. All training materials have gone through an extensive internal QA process and user testing, as well as being reviewed by the DfE and EEF.
- **Training:** Central and local training on the latest thinking around the ECF and the NPQ programmes, the programme structure and content, and techniques to support novice teacher development up to those who are experienced leaders. Visiting Fellows will also have access to online learning to deep dive into aspects of facilitation to develop their skills and support them in the ECF / NPQ curricula.
- **Briefings:** Visiting Fellows will have access to recorded briefings to support their preparation for delivering sessions. They will also be invited to live Q&A sessions.
- **Observation and feedback on their work from highly experienced colleagues:** Visiting Fellows will receive feedback and support about their facilitation of training, with help to improve and develop their practice.

The Five Counties Teaching School Hub is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The Application Process

Applicants should complete the online form and submit it by **12.00pm on Tuesday 21st June 2022**. This will include information about you and your experience. If you are called to interview, you will be required to seek permission from your headteacher to be released from school for induction training and the delivery of sessions and complete a pre-interview task.

The Five Counties Teaching School Hubs will contact successful applicants after this time. Interviews will take place on Monday 27th June at the CLF Institute for prospective ECF facilitators and Monday 11th July 2022 for prospective NPQ facilitators.
